2023-2024 Verification Worksheet- Independent Student

Your application was selected for review in a process called "Verification" by the Department of Education. In this process, we will be comparing information from your FAFSA with copies of your and your spouse's (if married) 2021 federal tax return, or with W-2 forms or other financial documents. Federal regulations (34 CFR, Part 668) require us to collect this information before disbursing federal aid. If there are differences between your FAFSA and the verification documents, we will make the corrections and send the required changes electronically to the Federal Student Aid processor to have your information reprocessed. **Please complete and return all pages.**

The deadline for a selected student to submit all required documents in order to originate and pay a Direct Loan is two weeks prior to the end of the term. The deadline to originate and disburse a Pell Grant is published in the *Federal Register* or 120 days after the last day of the student's enrollment, whichever is earlier. If a selected student does not submit the required documentation by this deadline, they forfeit their Title IV eligibility for that award year.
